**Reflection Questions**

1. Have you come to a place where your deep love for God serves as a motivation for self-sacrifice and mission-mindedness?
2. Do you truly “love your neighbor as yourself?” Does this love lead to a life that is more concerned with the spiritual welfare of your community than with the carnal pleasures of your own life?
3. Are you truly thankful for the mercy and grace of God? Are you thankful enough to sacrifice and declare, as Isaiah, “Here am I! Send me!”
